NOTIFICATION

Release Date:

September 03, 2009

Effective Date:

September 03, 2009

Subject/Purpose:

41 page check list - Inspections

Limitations:

None

Affected Models:

All AMD Zodiac models

Serial numbers:

All

Notification Number:

September 03, 2009

Does this Notice supersede another document?

No

Discussion:

In an attempt to assist mechanics and owners to maintain their Zodiac and to make sure that all Zodiac aircraft complies to the design, a very detailed check list is now available.

Action:

Use the check list when performing the annuals, aircraft purchase, after major repairs etc. to be used before next 100 hour inspection.

Reminder

AMD reminds the Owner/Operator of any AMD aircraft that compliance with all Safety Directives, Aircraft Operating Instructions, Maintenance Manuals as well as the reporting of any and all Safety of Flight or Service Difficulties by the Owner/Operator is *mandatory* for the operation of an SLSA aircraft.

The check list can be downloaded from the AMD web site at :
